Title: Humbolt-A Biography

Author: Hands of Virtue  
-----

Known perhaps as the  
greatest hero of our age,  
Humbolt gave his life to  
protect the citizens of  
Britannia from the liches,  
Lathiari and Kyrnia.

He joined the battle at  
the very beginning and  
fought till the last  
moment. It was the sage  
who discovered how the  
liches used a device to  
spray clouds of corrupted  
shrinestone to raise and  
control the dead.  
Additionally Humbolt  
discovered how to destroy  
them permanently, by  
destroying their heart.

After concocting a potion  
to allow him to survive,  
Humbolt lead a group of  
adventurers to the bowels  
of the Dungeon Despise,  
where he devoured the  
poisonous liches hearts,  
bringing them to a final  
rest along with our  
beloved sage.

We could only pray he  
would be here with us  
again, providing counsel,  
and perhaps solutions to  
our dilemma with the  
Followers of the  
Armageddon. Sage  
Winslow was named as his  
successor, and until  
undeniable proof was  
discovered, denied the  
existence of, and scoffed  
at the notion of the  
apocalyptic cult.
